Establishment

The women empowerment cell of Bimala Prasad Chaliha College, Nagarbera was established in 2002 with an aim to address the practical issues related to welfare of women faculty, staff and students. The resolution related to the establishment of women empowerment cell was passed by the core-committee of the Internal Quality Assurance Cell of the college.

Mission

The mission of the women cell, BPCC is to identify imminent potentialities of women and empower them in raising their voices against gender discrimination, injustice and violence. The cell also aims to aware women about their equal opportunities in building a successful home and career.

Objectives

The cell was established with an aim to identify and work on the problems and prospects of the in-house female members along with the women of fringe villages.

- To spread social awareness through street plays, marathon etc.
- To organize awareness program on gender sensitization.
- To organize self-defense camps to equip them with right knowledge about physical strength.
- To introduce various skill enhancement workshops to make them self-reliant.

Rules and Regulations

A good decorum is maintained for organizing any programme with due permission from the head of the institution and respective committees, where required. It is self-checked whether the proposed programmes by the cell are organized accordingly in the college. The new members are added formally in the cell in due course of time.
