

Seminar for 5th Semester Students of B.P. Chaliha College

Date: 29-09-2023

Venue: B.P. Chaliha College, Department of Economics

In a bid to explore and analyze various economic phenomena, the Department of Economics at B.P. Chaliha College organized a seminar led by 5th-semester students. The seminar aimed to delve into various economic concepts and theories that have significant implications on local, national, and global economies.

The seminar commenced with an opening address by Dr. Alaka Hujuri, Head of the Department who emphasized the importance of staying updated with current economic developments. The event featured presentations by students on various topics ranging from sustainable development to digital economy.

The seminar provided a platform for students to showcase their research prowess and analytical skills while fostering intellectual discourse on pressing economic issues. It underscored the importance of academic forums in nurturing a deeper understanding of contemporary economic trends among students.

The Department of Economics at B.P. Chaliha College reaffirms its commitment to promoting academic excellence and critical thinking in the field of economics through such initiatives.
