Survey on “Pati making”

Area of Survey: Dubapara Village, Goalpara, Assam

Date: 12-06-2018

Total No of Participants: 30

A survey on “Pati-Making” (Cool Mat made by cane) was conducted by the Department of Economics, B. P. Chaliha College, Nagarbera on 12th June, 2018 at Dubapara village, Goalpara district of Assam. Dubapara village is in Matia Sub-Division of Goalpara district in Assam. The village is home to the exquisite “Sitalpati” (Cool Mat) weavers. It has become a proud addition to the bouquet of the state’s crafts. Total 30 no. of students participated in the survey programme. Additional classes were taken earlier to prepare students for making questionnaire and preparing report on it. All five faculty members supervised the students in different groups. The students collected data on different aspects of Pati Making industry including their amount of investment, no of people engaged, income and the problems they face by a predesigned questionnaire. After the field survey, the students prepared a report on it and submitted to respective supervisor.
