

Educational Visit to Kakoijana Park, Bongaigaon

On 20.02.2026, the students of the Department of Assamese, B.P. Chaliha College, Nagarbera, undertook an educational visit to Kakoijana Park under the guidance of departmental teachers Mr. Bidyut Dutta, Ms. Shilpi Sharmah, and Ms. Chayanika Sabhapandit. The visit was organized with the objective of providing students with an opportunity to experience nature and gain awareness about wildlife conservation.

Kakoijana Park is widely known for its rare and famous golden langur, an endangered primate species found mainly in Assam and adjoining areas. During the visit, students observed the natural environment of the park and learned about the habitat, behavior, and conservation of the golden langur. The teachers guided the students throughout the programme and encouraged them to understand the importance of preserving biodiversity and ecological balance.

The visit proved to be informative and enjoyable for the students, enriching their knowledge and creating awareness about wildlife and environmental conservation. It was a successful educational experience for all participants.

Bidyut Dutta

HOD, Department of Assamese
