

# Outreach Programme to Nur Offset Press, Nagarbera, Kamrup

The Department of Assamese, B.P. Chaliha College, Nagarbera organized an outreach programme on 14.05.2026 to provide practical exposure to students regarding the printing process. As part of the programme, departmental teachers Mr. Bidyut Dutta and Ms. Shilpi Sharmah accompanied the 2nd Semester students of the department to Nur Offset Press, Nagarbera.

The main objective of the visit was to develop students' practical knowledge and skills related to the printing process. During the programme, students observed different stages of printing, including typesetting, designing, printing, and binding processes. They also interacted with the staff of the press and gained firsthand experience of how printed materials are produced.

This outreach initiative was organized in connection with the Skill Development Course under the NEP 2020 framework, aiming to bridge theoretical learning with practical experience. The programme proved to be highly beneficial for the students in enhancing their understanding of printing technology and developing relevant vocational skills.
