COLLEGE ANTHEM

বিমলা প্রসাদ চলিহা মহাবিদ্যালয় সংগীত

মহাপ্রাণৰ প্ৰতীতি সামৰি
সেউজ সভাত জিলিকে জ্ঞানৰ আলয়
ই যে শত শতৰ সাধনা তীৰ্থ
বিমলা প্ৰসাদ চলিহা মহাবিদ্যালয়।

কত বুৰঞ্জী বুকুত সাৰটি
বৈ যায় বৈ যায় অলজলী নৈ
পাহাৰপাৰাৰ কত লোক-গাঁথা
কল্ কল্ সুৰে আজিও আছে কৈ।

স্বৰ্গদেউ আহিলে নগৰখন বেটিলে
ঘটালে দ্ৰোহীয়ে যেতিয়া প্ৰলয়
দুৰ্জয় দুৰ্জয় এই অলকাপুৰী
দুষ্কৃতি-দমনৰে চলায় তাওৰ
শ্বহীদৰ প্ৰাণত শৃংখল ছিঙাৰ
উজলিল তেজৰ ভীষণ ভমক।

সংস্কৃতি সৌধ সাজিবলৈ লাগে
ত্যাগৰ মণি প্ৰাণৰ বাখৰ
কত খনিকৰে বুকুৰ হেঁপাহেৰে
লিখিলে ইয়াতেই তাৰেই আধৰ
ই যে আমাৰ বুকুৰ বীজমন্ত্ৰ
আমাৰ সুৰৰ মূৰ্ছনালয়।

ৰচনা : ড° পৰাগ কুমাৰ ভট্টাচাৰ্য
সুৰ : ড° নীলকমল বৰদলৈ

From Principal's Desk...

It gives me immense pleasure to invite and welcome to all the aspiring students to take admissions in different courses of B.P. Chaliha College, Nagarbera. It is a premier college and the preferred destination for the students to pursue higher education in the disciplines of Arts, Science and Commerce. The college, being affiliated to Gauhati University, Guwahati, conducts various courses designed by the University at undergraduate level and HS courses in both Arts and Science under AHSEC. The qualified and dedicated faculty members work hard each day to ensure that our students have an enriching and holistic endeavour in learning experiences. Academics is complemented with extra-curricular activities in the campus, which adds in developing overall personality of the students.

I offer congratulations on your splendid success in your examinations. There are so many avenues that open to you and right selection can transmit your academic dreams into reality. B.P. Chaliha College is committed for quality education and for helping students to prepare themselves to achieve the best in their lives. We are here to help our students for harmonious development of physical, mental and social powers. I anticipate that students of this college shall develop their career & personality taking maximum benefit of the facilities provided to them by the college. The college has been consistently maintaining an excellent academic record over its entire history. Education is like a journey that leads one from darkness to light (Tamaso Ma Jyotirgamaya). Higher education is the key to transform a society. The overall quality of the college is monitored by the NAAC and it was accredited with B-grade with CGPA of 2.28 by NAAC in the second cycle in 2016. The College is also recognized under 2F and 12B of 1956 UGC Act. The College has been efficiently implementing and following the guidelines laid down in the new National Education Policy, 2020 and the guidelines laid down by the parent University, UGC and NAAC from time to time.

The College was selected for DBT, Govt of India for DBT STAR College scheme with grants to the departments of Physics, Chemistry, Botany and Zoology. These could be possible with the hard work done by College Staff and students under the guidance of visionary management. With proud legacy of 50 years, the college has excelled in various fields. The college has started the Choice Based Credit System (CBCS) in UG courses as per guideline of Gauhati University. We recognize skill development as an essential part of education. Keeping that in mind, the College is already planning to introduce different vocational courses. In the last five decades, we have developed a beautiful relationship with our stakeholders including our retired teachers, alumni, parents, and neighbouring villages. Obviously, we all are committed to our goal to reach excellence in all fields, from academics to research and extra-curricular activities. The green, secured campus with Wi-Fi connectivity, modern digital classrooms and laboratories, semi-automated digital library, computer centre, indoor and outdoor games facilities etc. provide a great learning environment in the campus. Many students from this college have registered their presence in the merit list of Gauhati University and other reputed institutions. Our endeavour is to empower our students to become the forerunners in this competitive world and a human being in the true sense of the term. We never say that we have done a lot but would confidently say that we have done something valuable for illuminating the light of this beautiful institution. I welcome to you on board and I am confident that you would enjoy your stay at B. P. Chaliha College, Nagarbera which is blessed with natural beauties and excellent atmosphere. Thanks for your interest in our Institution. Wish you a rewarding and learning experience in this college. Finally, I would like to conclude by citing Robert Frost's famous lines—

‘The woods are lovely, dark and deep,
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.’

Dr Kamal Chandra Pathak
Principal
B. P. Chaliha College, Nagarbera

❖ **B.P. Chaliha College, Nagarbera at a glance**

B. P. Chaliha College, Nagarbera was born in an auspicious moment in the year 1972 in the sylvan setting of Nagarbera embraced by the sweet flowing river **Jaljali** on the eastern side and a vast expanse of green field on the western side. The College was aptly named after the Ex-Chief Minister **Late Bimala Prasad Chaliha**, an illustrious son and an architect of modern Assam. The College is situated on the south west corner of Kamrup district, presently extending its grasp over two other neighboring districts- Barpeta and Goalpara. In addition to catering to the need of higher education in Kamrup district, it also promotes knowledge and skill among the vast mass of socio-economically disadvantaged people of greater Nagarbera area. The College strives to achieve excellence in every possible human endeavour.

The place Nagarbera occupies a unique space in the rich and myriad cultural heritage of Assam history from the days of Ahom King **Gauri Nath Singha**. The huge rectangular tank of Pukhuripara village, Nagarbera is a living testimony of this fact which is only a quarter km. away from this College. However, post independent socio-economic picture of Nagarbera area was dismal on many counts. There are drawbacks in communication, transportation as well as the conspicuous absence of adequate institutions to provide Higher Education to poor and needy students. With a view to remove these difficulties and to provide quality education to the students of this vast area, B. P. Chaliha College was set up on 26th August, 1972. The indomitable courage and a sense of total sacrifice, dedication and strong determination of thousands of poor and deprived people of greater Nagarbera area finally saw their dream coming true with the birth of B. P. Chaliha College. With the active initiation of **Late Krishnakanta Sarma**, the then Headmaster of Nagarbera High School and the unflinching support of the local populace the College saw its light in the serene atmosphere of Nagarbera High School. In this regard, contribution of **Nagarbera Mouza Committee** needs special mention for their pioneering role in making this institution a reality. Due credit must be given to **Late Prabin Kr. Choudhury**, Ex-Transport Minister of Assam for his unstinted support for this cause. This infant institution started its journey towards eternity with only 135 students and 6 lecturers stewarded by its founder Principal **Late Deba Prasad Saikia**.

The College was brought under Grant-in-Aid system on dated 01-09-1979. Another feather was added to its glory when Science stream was introduced in the year 1985. The long-cherished dream of fostering scientific temper and facilitating higher education in Science faculty thus came true when the Science stream was put under deficit system of GIA on 11th January, 1996. At present the College is a

full-fledged one with Arts, Science and Commerce streams and offering B.A/B.Sc./ B.Com. degree courses in seventeen different subjects at under graduate level. Except Computer Science, Sociology and Statistics all other departments are having major courses. Following the guidelines of Directorate of Higher Education and Gauhati University, this college is ready to implement **NEP (National Education Policy) 2020** from the Academic Session 2023-24.

Apart from catering to the usual learning programmes of both HS and UG level courses under AHSEC and GU respectively, arrangements are also made to impart vocational courses and Master Degree programme in different subjects like English, Assamese, History, Political Science, Education, Economics, Philosophy, Mathematics and Commerce under **IDOL - GU**. Students from different locations are already appearing in examinations under the system. A study centre of **K. K. Handique State Open University (KKHSOU)** has been running in our Collegesince 2007-08 which facilitates learning for Govt. service holder, employees of various categories along with the College and School drop outs. Provisions are made for their entry into various HS, UG and PG level programmes under the university. Students are continuously appearing and passing out the examinations with flying colours.

The College possesses a rich Library with reasonable collection of books, references, journals and newspapers in free of access and adequate accommodation for research and study. There are three **Women Hostels** in our College campus to provide accommodation to 120 girl students. It is worth noting that Digital class rooms, Internet, Wi-Fi, Fax facilities along with other modern technological appliances are also accessible to the students and staffs of the College.

Under the active leadership of the College authority, proper guidance of IQAC and dedicated teachers, office staff and dear students the greater family have been working ceaselessly to bring the College to a prestigious position by imparting proper and all-round higher education. The College prepares the students to face new challenges by imparting value based and skill education and creating scientific temper. It inculcates in students a global understanding in general and local importance in particular. Thus, the College creates awareness about the community, commitment for quality and excellence in Higher Education. The IQAC being the nodal academic agency, it monitors and regulates different activities of cells and committees like Career Guidance and Information Centre (CGIC), Teaching-learning Cell, Grievance Redressal Cell, Women Empowerment Cell, Sahitya Kanan, Literary Forum, Science Forum etc. to promote the intellectual development of students.

We acknowledge our gratitude to all concerned for whose sacrifice the College has become a legend in the academic scenario of Assam. The College has already been accredited with 'B' Grade by

NAAC (National Assessment and Accreditation Council, Bangalore) in May, 2016 and now it is actively preparing for the third cycle of assessment.

VISION & MISSION

VISION:

The vision of the college is to make it a plethoric center of learning of higher education with the provision of scientific and systematic knowledge and skills for all traditional vis-à-vis modern courses of study required for social transformation and sustainable development which is characterized by social justice, inclusiveness and empowerment.

MISSION:

The mission statement of Bimala Prashad Chaliha College, Nagarbera '*Tomoso Ma JyotirGamaya*' reflects the quest of the college to remove the darkness of ignorance and spread the light of knowledge.

The college has been working with the mission to impart quality higher education to all section of people of this greater region to create adequate opportunity for the easy exposure to the national mainstream. The college will strive for integrated development of intellectual, moral and cultural upliftment of students. It cherishes to foster the spirit of discipline and self-reliance among the youths to face the challenges of time.

OBJECTIVES:

- Impart value-based education to promote humanism and self-reliance.
- Foster scientific temper and creativity among the students.
- To promote national integration and international understandings in global perspective.
- To develop all-round personality of the students.
- To serve the society for a prosperous, sustainable and peaceful coexistence in all possible ways.
- To provide quality higher education to the students within and beyond the periphery of greater Nagarbera.
- To provide vocational and skill-based education to the students to combat the challenges of future efficiently.
- Impart education through modern ICT to encourage entrepreneurial quality.

❖ Education Methodology:

B. P. Chaliha College has also introduced a set of modern Methodology to impart knowledge

and skills in different subjects besides the conventional methods. Majority of the departments carry out different formal and non-formal academic programmes like lecture series, competitions, excursions, data collection and field visits etc. as extracurricular activities. Regular educational excursions, face to face interactions, seminars, symposium, popular talk, workshops etc. are the methods implemented to enhance the academic standard of students for their strong presence in the domain of knowledge.

Admission Available for 2025-26 Session

HS 1st Year Arts

HS 1st Year Science

BA (Major & Minor)

B.Sc. (Major & Minor)

B.Com. (Major & Minor)

Certificate Courses

Diploma Courses

❖ HS (Arts and Science)

B.P. Chaliha College, Nagarbera is offering two years Higher Secondary (HS) Course in Arts and Science streams under the Assam Higher Secondary Education Council (AHSEC).

Subjects offering in Arts Stream:

English, MIL (Assamese/Alternative English), Arabic, History, Political Science, Education, Sociology, Economics, Statistics, Mathematics, Geography and Computer Science.

Subjects offering in Science Stream:

English, MIL (Assamese/Alternative English), Economics, Statistics, Mathematics, Computer Science, Geography, Physics, Chemistry, Biology (Botany and Zoology).

Students in HS level (Arts and Science) are also allowed to take admission in different self-financed certificate and diploma courses run by the different departments or centres of the college.

College Campus at a glance

▪ **Course Combinations for HS:**

✓ **Arts Stream:**

S. No.	Compulsory Subjects (two)	Optional Subjects (any three/four)
1	English & MIL	Eco., Edu., Pol. Sc. Hist.
2	English & MIL	Eco., Edu., Pol. Sc. Math.
3	English & MIL	Eco., Edu., Pol. Sc. Geo
4	English & MIL	Eco., Edu., Pol. Sc. Socio.
5	English & MIL	Eco., Edu., Pol. Sc. Arabic
6	English & MIL	Eco., Edu., Geo. Hist.
7	English & MIL	Eco., Edu., Geo. Math.
8	English & MIL	Eco., Edu., Geo. Pol.Sc.
9	English & MIL	Eco., Edu., Geo. Stat.
10	English & MIL	Eco., Edu., Geo. Com.Sc.
11	English & MIL	Edu., Pol. Sc., Hist. Arabic
12	English & MIL	Edu., Pol. Sc., Hist. Socio.
13	English & MIL	Eco., Edu., Math. Stat.
14	English & MIL	Eco., Math., Stat. Geo.
15	English & MIL	Eco., Math., Stat. Com.Sc.
16	English & MIL	Eco., Geo., Math. Com.Sc.
17	English & MIL	Eco., Geo., Stat. Com.Sc.
18	English & MIL	Math., Geo., Stat. Com.Sc.

✓ **Science Stream:**

S. No.	Compulsory Subjects (two)	Optional Subjects (any three/four)
1	English & MIL	Phy., Chem., Maths., Bio.
2	English & MIL	Phy., Chem., Math., Com. Sc.
3	English & MIL	Phy., Maths., Stat., Com. Sc.
4	English & MIL	Phy., Maths., Stat., Geo.
5	English & MIL	Phy., Chem., Math., Stat.
6	English & MIL	Eco., Stat., Math., Com. Sc.

Note: Students can take either Assamese or Alternative English as MIL. Besides the two compulsory subject students can take either three or four optional subjects (students are advised to see AHSEC guidelines).

- Intake Capacity for HS Level:

Arts Stream: 250

Science Stream: 100

For HS 1st year (both Arts and Science) admission students are advised to go through the AHSEC guidelines and ensure registration through DARPAN portal. Last date of application and taking admissions are strictly maintained in our college too as it is specified by AHSEC through the DARPAN portal.

❖ **BA, B.Sc. & B.Com. (Major and Minor Courses)**

Gauhati University, Guwahati and its affiliated colleges are going to implement the NEP, 2020 led BA, B.Sc. and B.Com. courses from the forthcoming academic session 2023-24. All these three/four years UG level courses are going to offer both for major and minor courses. The College is going to offer all the three programmes (BA, B.Sc. and B.Com.) as per the notification and guidelines of Gauhati University, Guwahati and Directorate of Higher Education, government of Assam. The college is bound to accept all the alteration or improvement notified by the university and government at any time.

❖ **NEP 2020: Some Basic Information**

Looking into the diversities and its different components we would like to state here a few significant points regarding the NEP (National Education Policy) 2020. As it is stated by the policy document and by the Gauhati University, basically there are two parts of a course under the FYUGP (Four Year Under Graduate Programme). These two parts are- (a) Core Courses (subjects) and (b) Common Courses. As the name suggests, different students study different core courses and all students study the common courses. Below, we describe what a student will study in both the parts under each year of the programme.

➤ **First Year (Semester I & II)**

In the first year, student will study three different core subjects (one major leading and two minor courses each with 4 credits). Student will study one paper of each subject per

semester. Besides, one needs to study a host of common subjects (Multidisciplinary, Ability Enhancement, Value Added and Skill Enhancement courses).

➤ **Second Year (Semester III & IV)**

Semester III

In the third semester, one will usually continue with the same core subjects (major leading and minor) that have already been chosen in the first year and again study some common subjects. In the third semester, one will also take a step forward to study the favourite subject by **declaring** two papers of the **Major** subject and another one as **Minor**.

Semester IV

From Semester IV onwards, one will primarily study the Major subject by taking at least four papers, some of which may be elective depending on the subject concerned.

As the programme structure in the third semester is same as the first & second semesters, one will have the option of changing the Major in fourth semester, even if one has already declared a Major in the third semester. However, this has the condition that the new Major subject of choice has vacancy.

➤ **Third Year**

In the third year, one will continue to study the Major subject to complete a full set of 15 papers in Major.

➤ **Fourth Year**

If one intends to progress to the fourth year (subject to approval of Gauhati University), s/he will be devoting the time in studying advanced courses which will be at the level of initial Master's degree papers. A student can directly take admission into the second year of a Master's programme after the successful completion of the FYUGP. Besides, one will also have the opportunity of engaging into research work with the available faculty members (if permitted by Gauhati University) of the concerned department of the college. In the fourth

year (Semester VII), a student has to complete one compulsory paper on Research Methodology (REM), which is a 4-credit theory paper. The rest of courses will consist of Advanced Core Courses and a dissertation.

▪ **Change of a Major leading Course:**

If a student becomes interested to change a Major subject in the third semester, then it is permitted under the following limitations-

1. Student will be able to change a subject provided the new subject can accommodate. This can be a problem with science subject/s as it need to ensure laboratory space for each student.
2. Besides, the student has already abandoned the first-year time studying a subject which he/she no longer want to continue, the student will need to use his/her free credits to compensate for the new subject.

▪ **Exit Courses/Conditions:**

A student can exit after any year during the FYUGP. Depending on the exit level, a student can get a certificate, diploma, or a degree. If a student exits after one year into the programme s/he will be eligible to get a certificate, if she clears all the courses at that point of time. Similarly, s/he will be getting a diploma if s/he exits after two years into the programme, after clearing all the courses up to that point of time. Every student who wants to exit before 3 years into the programme, MUST complete an additional Vocational Course of 4 credits. Eventually, after three years, s/he will get a Bachelor's Degree. It should however be noted that if a student exits the FYUGP at the third year with a Bachelor's Degree, s/he will not be able to seek a reentry afterwards into the fourth year. Rather s/he will need to take admission into the first year of a Master's programme. Every student who is in the third year of the FYUGP, can advance to the fourth year. After successful completion of the fourth

year, s/he gets either a Bachelor's Degree (Honours) or a Bachelor's Degree (Honours) with Research.

▪ **Major and Minors:**

In case of a Bachelor's Degree in a Stream, a student either chooses a Major and Minors or just Minors from among the subjects. In any case, a student needs to complete 21 courses or 84 credits by the third year. A Major course **MUST** carry a minimum credit of 60 and a Minor course should carry a minimum credit of 12. Usually, for majority of the students, the Core Course will consist of one Major and one Minor.

▪ **Common courses:**

The common courses are to be studied by all students alike and all-together they carry a total credit of 36 over a 3-year period. These courses are further divided into five (5) subcategories, as described below.

1. Multi-disciplinary Courses:

These are 3-credit courses spanning over five different groups of subjects- (i) Natural and Physics Science, (ii) Mathematics, Statistics, and Computer Applications, (iii) Library, Information, and Media Sciences, (iv) Commerce and Management, and (v) Humanities and Social Sciences. The level of these courses is of Class XII standard. Each student needs to take at any three papers, each with 3-credits from these five sub-groups during Semesters 1 to 3. A student **CANNOT** choose a multidisciplinary subject, if s/he has already studied that subject during Class XI or XII. Also, the subject of these courses **MUST** not be among the Core Subjects that the student has already chosen.

2. Ability Enhancement Courses (AEC):

This is an 8-credit course covering Modern Indian Languages (MIL) and English Usage (Communication). Each student needs to complete two papers of 4-credits each- one from

English Usage and other from the group of MIL especially designed for the purpose. These courses have to be taken during Semesters 1 to 2.

3. Skill Enhancement Courses (SEC)

These are various skill courses with total credit allocation of 9. A student needs to study the first skill course of 3 credits in the second Semester. The rest three skill papers, each having 2 credits need to be studied during Semesters 4 to 6.

4. Value Added Courses (VAC)

The VAC courses will come from four sub groups- (i) Understanding India, (ii) Environmental Science, (iii) Digital and Technological Solutions, and (iv) Health & Wellness, Yoga Education, Sports, and Fitness. All together they will have a credit allocation of 6. Each student will have to take any three papers, each of 2-credits, from any three groups during Semesters 1 and 3. Here one paper from the Environmental Science group is compulsory except if the student takes a core course on Environmental Science.

▪ Internship (Int)

Students are to carry out an internship with a credit allocation of 4. The internship can be carried out in any semester during Semesters 3 to 6. As internships are meant to be done during semester breaks, they will not interfere with other classes.

▪ The ultimate Degree, Diploma, or Certificate of a Student:

The Core Courses determine the ultimate degree, diploma, or certificate a student will earn at the end of third (or fourth) year, second year, or the first year, respectively.

Semester wise final course road map for UG level students as it is referred by the Gauhati University is explained with the help of the following sketch. Minor courses are referred by yellow. Common courses are given in the left.

Sem	Core Courses								Common Courses								Total Credits			
I	Maj-1	4							Min-1	4	AEC-1	4	MDC-1	3	SEC-1	3	VAC-1	2	20	
II	Maj-2	4							Min-2	4	AEC-2	4	MDC-2	3	SEC-2	3	VAC-2	2	20	
III	Maj-3	4	Maj-4	4					Min-3	4			MDC-3	3	SEC-3	3	VAC-3	2	20	
IV	Maj-5	4	Maj-6	4	Maj-7	4	Maj-8	4	Min-4	4									20	
V	Maj-9	4	Maj-10	4	Maj-11	4			Min-5	4									20	
VI	Maj-12		Maj-13	4	Maj-14	4	Maj-15	4			Internship								4	20
VII	Advanced Core (6 Courses) & Dissertation (16 Credits) Degree (Honours) with Research								OR	Advanced Core (10 Courses) Degree (Honours) with Research								40		
VIII																				

The performance in the Core Courses will also determine the grade of the student in the final examinations. Total minimum credit requirement is 84 for the Core Courses, which translates to 21 courses (papers) with a credit allocation of 4 per course. A student will need to study at least three Core subjects. The Core Courses have to be chosen among a plethora of subjects offered for both the types of degrees, respectively. In case of a Bachelor's Degree in a Stream, the components of the Core Courses are Major and/or Minors, while in case of a Bachelor's Degree in a Discipline, there are no Majors and Minors.

❖ Permitted Combination of Courses at B.P. Chaliha College, Nagarbera

Based on the NEP, 2020 policy document, guidelines put forwarded by Gauhati University and physical infrastructure available in the college, we have finalized the following course combinations for the session 2025-26. Students need to choose accordingly in admissions for BA, B.Sc. And B.Com. In choosing the course combinations students need to thoroughly check the prerequisites and course essentials.

Table-1: Subject Combinations for BA Programme at B.P. Chaliha College				
Semester-I	Major leading Subject	Any one (Core)	Assamese, Arabic, English, Economics, History, Political Science, Education, Mathematics and Geography (subject-to fulfillment of pre-requisites given in Table-4)	One course of 4 credit
	Minor Subjects	Any one (Core)	Assamese, Arabic, English, Economics, History, Political Science, Education, Mathematics, Statistics, Geography, Sociology and Computer Science (excluding the subject choose in major leading and also subject-to fulfillment of pre-requisites given in Table-4)	One Course of 4 credits
	AEC-I	-	Assamese	One Course of 4 credits
	Multidisciplinary-I	Any one	Can not take the subjects include in Humanities and Social Science (Must not be among the subjects chosen as Major and Minor and also must not studied in class XI or XII)	One Course of 3 credits
	VAC-I	-	Environmental Studies	One Course of 2 credits
	SEC-I	-	The course is offered by each department from amongst the courses designed by Gauhati University	3 credits

Table-2: Subject Combinations for B.Sc. Programme at B.P. Chaliha College				
Semester-I	Major Leading Subject	Any one (Core)	Physics, Chemistry, Botany, Zoology, Mathematics, Economics and Geography (subject-to fulfillment of pre-requisites given in Table-4)	One course of 4 credit
	Minor Subjects	Any one	Physics, Chemistry, Botany, Zoology, Mathematics, Statistics, Computer	One Course of 4 credit

		(Core)	Science, Economics, Geography (excluding the subject choose in major leading and also subject-to fulfillment of pre-requisites given in Table-4)	
	AEC-I	-	Assamese	One Course of 2 credits
	Multidisciplinary-I	Any one	Can not take the subjects include in Natural and Mathematical Sciences (Must not be among the subjects chosen as Major and Minor and also must not studied in class XI or XII)	One Course of 3 credits
	VAC-I	-	Environmental Science	One Course of 2 credits
	SEC-I		The course is offered by each department from amongst the courses designed by Gauhati University	3 credits

Table-3: Subject Combinations for B.Com. Programme at B. P. Chaliha College (Major available in Accountancy/Finance/Human Resource Management)				
Semester-I		Core-1	Core-2	Core-3
		Business Organisation and Management	Financial Accounting	Indian Financial System
		Credit per Core Course is 4. Core Courses are same for all		
	AEC-I	Assamese	4 Credit	
	Multidisciplinary-I	Business Mathematics	3 Credit	
	VAC-I	Environmental Studies	3 Credit	
Major special papers to be studied from 3 rd semester. Minor papers will start from 4 th Semester till 6 th semester				

Table-4: Pre-requisite for taking a Subject in BA and B.Sc. under GU-FYUGP		
Subjects	Required Pre-requisite to opt as a Major	If do not opt as a Major/Required Pre-requisite as a Minor
MIL (Assamese)	Assamese up to Class XII	Assamese up to Class X
Arabic	No Prerequisites	No Prerequisites
English	English up to Class X	English up to Class X
Economics	No Prerequisites	No Prerequisites
Education	No Prerequisites	No Prerequisites
History	No Prerequisites	No Prerequisites
Political	No Prerequisites	No Prerequisites

Science		
Sociology	No Prerequisites	No Prerequisites
Chemistry	Chemistry AND Math up to Class XII	Chemistry up to Class XII
Mathematics	Math up to Class XII	Math up to Class XII
Physics	Physics AND Math up to Class XII	Physics AND Math up to Class XII
Statistics	Math up to Class XII	Math up to Class XII
Botany	Biology up to Class XII	Biology up to Class XII
Zoology	Biology AND Chemistry up to Class XII	Biology AND Chemistry up to Class XII
Geography	No Prerequisites	No Prerequisites
Computer Science	No Prerequisites	No Prerequisites
Note: Having a prerequisite necessarily means that the student needs to have passed in the subject		

Subject to fulfillment of prerequisites and requirements, a student can choose any subject as core subjects. Degree awarded (whether Bachelor of Arts or Science) will be decided by the group to which at least two subjects belong.

All colleges under GU are allowed to conduct courses for the fourth year of GU-FYUGP, leading to the Bachelor's Degree (with Honours) but not the Bachelor's Degree (with Honours and Research, for which approval is require).

Regarding programme, course structure, course combination, evaluation and as a whole the processes of NEP implementation in colleges under Gauhati University are to be updated frequently in websites only. Students are advised to regularly check the NEP portal of Gauhati University, Guwahati (<https://nep.gauhati.ac.in>), college website of B.P. Chaliha College, Nagarbera (<https://bpchalihacollege.org.in>) and the SAMARTH (<https://assamadmission.samarth.ac.in>) admission portal for all the current updates.

❖ Intake capacity

Intake capacity under each department in all BA, B.Sc. and B.Com. programmes both for Major and Minor courses are given in the following table-

Table-11: Intake Capacity in different Major and Minor Courses

SI. No.	Subject	Major	Minor
1	Assamese	50	320
2	English	25	320
3	Arabic	15	100
4	Political Science	60	175
5	History	35	100
6	Education	50	175
7	Economics	15	100
8	Geography	20	60
9	Statistics	-	20
10	Mathematics	20	80
11	Physics	20	60
12	Chemistry	25	100
13	Botany	25	60
14	Zoology	20	60
15	Computer Science	-	20
16	Sociology	-	100

For UG level BA, B.Sc. and B.Com.1st semester admissions for the session 2023-24 and its different related guidelines and notifications all aspirant students need to regularly visit the Gauhati university website (<https://gauhati.ac.in>) and also the college website (<https://bpchalihacollege.org.in>). It is worth to be mentioned here that the UG level 1st semester admissions (BA, B.Sc. and B.Com.) are to be conducted through the SAMARTH portal (<https://assamadmission.samarth.ac.in>) in online mode.

❖ **Admission Procedure:**

1. Eligibility Criteria:

(i) For Higher Secondary Course:

A candidate must pass HSLC Examination of Secondary Education Board of Assam (SEBA) or any other equivalent examination recognized by the Assam Higher Secondary Education Council (AHSEC) with a

minimum score of percentage of marks.

(ii) For UG Level Degree Course:

A candidate must pass Higher Secondary final Examination conducted by AHSEC or any other equivalent examination under recognized boards/universities.

2. Procedure:

- (i) *Regarding free admission for APL/BPL students Govt. order is applied.*
- (ii) Admission will be strictly on the basis of merit. The candidates selected should get themselves admitted on the specified date of admission, failing which they will forfeit the claim.
- (iii) Few seats in each class are reserved for the students belonging to SC/ST(P)/ST(H)/OBC/MOBC /EWS as per the rule of Government.
- (iv) Few seats in each class are reserved for the PWD students and students having outstanding proficiency in sports, music & culture, NCC, NSS etc.
- (v) All have to apply online and get admission by visiting the specified websites.
- (vi) Following **documents in original are necessary and keep ready to verify** during the process of **admission/interview:**

- Mark sheets of qualifying examination(s).
- Character certificate from the Head of the institution last attended.
- Age proof certificate (admit/pass certificates).
- Gap certificate for those who have passed the qualifying examination earlier than the current year.
- Migration certificate for those who are migrating from a Board / Council / University other than AHSEC/GU.
- Transfer certificate for those who like to take transfer from other institute to this College.
- Certificate of proficiency from competent authority (where necessary).
- Medical certificate issued by competent authority for specially abled (PWD) category of students.
- Two copies of recent passport size photograph.
- Photo of Planting of atleast one Sampling (government guideline is awaited).
- Income certificate from competent authority for availing the free admission.

(vii) Application must be furnished along with the Photostat copies of the required documents (attested by the head of the institution last attended).

(viii) Incomplete application form is to be rejected.

3. Re-admission for students:

A Student promoted to HS 2nd year Class and UG Level classes except 1st Semester will have to take re-admission by depositing the necessary fees on a date/procedure notified by the Principal of the college usually within 15 days from the declaration of the result.
